## GUARANTEE

SunSyne Graphics guarantees its panels for a period of ten (10) years against fading, chipping, delamination and weathering. SunSyne agrees to repair or replace, at its option, panels found to be defective for any of the above reasons, within ten (10) years, beginning with the date of shipment to the customer. Overall color durability may be extended if the sign faces are installed facing north. Installation of exhibits facing south, east, or west may decrease the color longevity after ten (10) years.

SunSyne Graphics guarantees the Lexan Margard in its exhibits for a period of ten (10) years against breakage, yellowing, loss of light transmission, and coating failure. Replacement prints may be inserted within the polycarbonate matrix as necessary.

No material may be returned without prior authorization of the manufacturer. Claims resulting from misuse or willful destruction or from failure to follow installation instructions will be disallowed. The liability of the manufacturer is limited to the repair or replacement of the signs, and it shall not be liable for any other damages, direct or indirect, sustained or suffered by the purchaser or any person.

This warranty is supplied to the buyer in place of all other warranties, expressed or implied. Seller does not warrant as to merchantability or fitness for a particular use, nor will any oral statements constitute a warranty or amend the specific warranty. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

**COLOR GUARANTEED  
TEN YEARS!**
